

NOTICE

In recognition that social distancing is the most effective means to combat COVID-19, and for the safety of our employees, the Nance County Courthouse has closed its doors to the public. Starting Wednesday, March 18, 2020, we are keeping our doors closed to the public and encouraging all residents to conduct business by phone or email with limited exceptions for essential or time-sensitive matters such as scheduled court hearings.

We understand not all business can be completed in this manner; please call or email us if you have any questions or would like to schedule an in-person meeting.

Our full staff will continue to work in each office on a daily basis, working hard to accomplish all that needs to be done at this time.

If you have payments, real estate recordings, court filings, that you just need to drop off, please use the available lock box here in the lobby. The lock box will be checked on a regular basis.
